MARQUETTE HIGH SCHOOL

'74 EXPLORER

I REMEMBER . . .

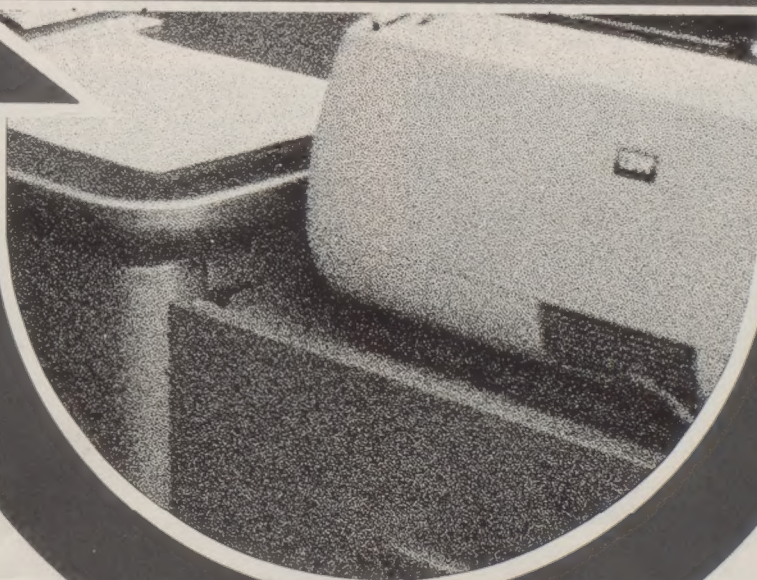

Standing by the window
 Looking
 At the morning sky
 Thinking
 Sad but sweetly
 Of memories gone by.
 Listening
 To the voices
 Moving slowly past,
 Wishing
 Those voices
 Might forever last.
 Knowing that
 Nothing remains.
 In our minds
 We will retain
 All the voices, all the
 Tears.
 Standing by the window
 Looking
 At the evening sky
 Thinking
 Sad and sweetly
 Of memories gone by.

INNSBRUCK FLARE

It's great going through fresh powder. Or the countryside on a bike. And even better with Lee Innsbruck Flares and matching jacket. Unique pockets and side panels make the Lee Innsbruck a fresh, new look.

Yes. Go to school and buy new wheels, too. You can make it happen in the Air Force. It's great training. The kind that will provide a great future . . . and \$326 and more a month for wheels and go-places, do-things action while you're learning such high paying skills as computer technician, aircraft mechanic, accountant, electronic technician or one of dozens of other technical or business specialties. You'll receive some extra benefits, too — like paid vacations, promotions, free medical and dental care. Get all the details from your Air Force recruiter today.

I WILL ALWAYS REMEMBER . . .

Morning brings the sunrise
And I remember
A past not so distant,
Yet, very far away.

Although I am embarking
On a new voyage
Part of me is still living
In the past, happy but sad.

Childhood fantasies have
Passed and adolescent
Dreams give way to reality
But yet, the memory lingers.

And as this day will end
So will I grow old,
But still, I am quite sure
That I will REMEMBER...
